

Christ is King

May Jesus Christ,
protect, and save us from all dark, and wicked forces.

They, wish to bind us,
and keep us impoverished, and in pain.

God, in his kindness,
gave us free will, but they, wish to manipulate,
and deceive us, at every turn.

I do NOT consent,
to the manipulation of my mind, body, or soul,
here, or elsewhere.

I do NOT consent,
to the entrapment of my mind, body, or soul,
here, or elsewhere.

I do NOT consent,
to the torture, or abuse, of my mind, body, or soul,
here, or elsewhere.

I do NOT consent,
to the damage of the health of my mind, body, or soul,
here, or elsewhere.

I do NOT consent,
to any deceptive covenants, made under the
manipulation of my mind, body, or soul,
here, or elsewhere.

I do NOT consent,
to impoverishment through the manipulative theft of
my person, possessions, or property,
here, or elsewhere.

Our true covenant is with Christ,
expressed through our love for the innocent.

All glory to God.
